Thinking Ahead To Your Next Cover Crop. It's Time to Consider:

- ◆ How will your **HERBICIDE** terminate your cover crop
- ◆ How do I determine what **COVER CROP SEED** to choose
- ◆ How do I set up my own **TEST PLOTS** to learn about cover crops

Experts on Hand for Presentations and Discussion:

- Skylar Paul, Chemical Account Manager at Monsanto
- Alex Benoit, ProHarvest Seeds
- Sarah Carlson, Midwest Research Director of Practical Farmers of Iowa

Great Opportunity To:

- Network
- Share Your Knowledge
- Learn From Others

Following the presentations, information will be provided for a self-guided driving tour of local cover crop fields.
